HKUST is dedicated to delivering transformative changes in teaching, learning, research, knowledge creation and transfer as well as contributing to economic and societal development.

WE SEEK TO BECOME

1 A University of Talents

Our highest priority is to attract, nurture, and retain talents.

We are committed to empowering and encouraging our members to unleash their multidimensional potential to build a community of lifelong learners and innovators who can make a difference in the world.

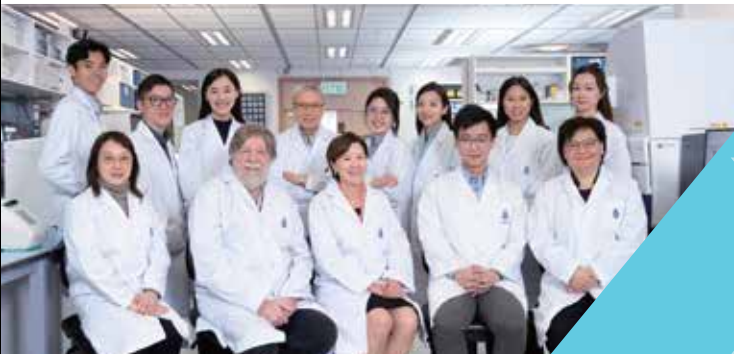

2

An international Leader in Education and Research

HKUST aspires to take a leadership role in driving positive changes in education and research.

Our innovation approach to education equips our students with the knowledge, skills, and mindset necessary to shape the future. We partner with prestigious institutions across regions, widening the breadth and depth of international research collaboration. We are dedicated to expanding our academic frontiers in areas such as biomedical research, sports science, and art-tech.

3 A Visionary of Innovation and Entrepreneurship

We strive to strengthen our innovation ecosystem that can synergize different segments of the entire spectrum from research to impact.

We nurture the next generation of entrepreneurs and innovators to create economic and societal impact.

4 An Exemplar of Best-in-class Sustainable and Quality Practices

We uphold sustainability as a guiding principle in all our operations while achieving our aspirations.

We commence campus development projects to address short, medium, and long-term spatial needs. We also create and uphold a digital environment that unlocks potential of our people.

1st university in Hong Kong
to launch new ESG investment
policy for its net-zero carbon goal.

5

A Champion of Diversity, Inclusiveness, and Openness

HKUST takes pride in being a community that celebrates diversity.

We are determined to create and maintain an inclusive and open environment and expand our partnerships from all over the world to ensure our continued success.

Our goals are not only to maintain and enhance HKUST's world-leading position in education, research, and innovation, but also to address the complex global challenges facing society. Our aspirations require additional financial resources.

WITH YOUR SUPPORT, we can

- ✓ Improve campus facilities and build new ones to meet the needs of our growing community of faculty, staff, and students
- ✓ Enhance research infrastructure and digital capabilities to unlock potential of our people
- ✓ Attract and retain top talents to address challenges and propel discovery
- ✓ Expand academic frontiers and pursue research excellence for global impact
- ✓ Provide aid to our students and encourage them to reach their full potential
- ✓ Foster the next generation of entrepreneurs and innovators for societal impact

HKUST Foundation

An establishment under the Council of the University to proactively outreach and solicit support for HKUST

Key Objectives
